

Small Elegant Hotels

Online Hotel Distribution

(optional for SEH member hotels, not mandatory to join Small Elegant Hotels)

After you joined Small Elegant Hotels, you can make your hotel available for booking at over 600,000 travel agencies and the 100+ largest Internet Travel Portals.

That is what an Online Reservation System by Small Elegant Hotels offers you:

→

We connect your hotel to the reservation system of over 600,000 travel agencies and the 100+ largest Internet travel portals like Expedia, Travelocity, hotels.com, Orbitz, etc.;

→

You have the full control of your sales offer (price, availability, pictures, description, etc.). Adjustments can be made at any time and are immediately in effect;

→

No expensive hard-/software installations and upgrades. To use this reservation system you only need Internet access;

→

You will receive from us a booking engine that is easy to integrate in your hotel website. Instantly, the visitors of your website are able to book your hotel directly and easy online.

→

Get priority listings on the Small Elegant Hotels website and be able to **update all sites** including our partner sites and your site **with only one update**.

→

Our customer service will support you competently with all your questions around the online distribution of your hotel and help you with the active building of your booking volume.

Ask for a non-obligation offer

Get in contact with us, you will be surprised to find out with which attractive conditions you can connect your hotel to the international reservation systems.
